Insurance only works when risks are shared among similarly situated people and businesses. I know that the claims I submit will affect the risks that I am sharing with others. I also understand that my relationship with Prime Property and Casualty Insurance, Inc. depends on honesty. I trust that Prime Property and Casualty Insurance, Inc will be honest with me and I promise to be honest with them. I know that it would be dishonest to submit an inflated insurance claim. I also know that it would be dishonest to exaggerate about the events surrounding the accident that resulted in an insurance claim.
